

Lucky Charm

Designer: Lucy Bergamini
 Circa: 1980s - 90s

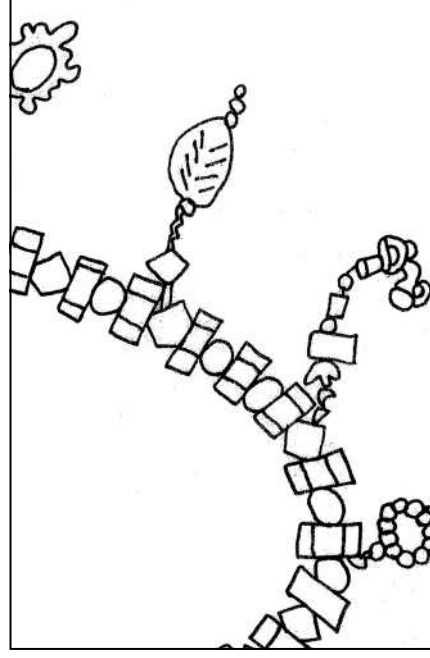

This amazing fresh and fascinating necklace jumped out at me. Its loud and exuberant random colours leap-frog over each other in the race to encircle it. The silver charms add a solidity to a beautiful rainbow necklace.

Stuff Glass encased beads and silver charms
See Brilliant rainbow and fluorescent colours, with flashes of silver

Use the original colours

Use your own colours

Imagine a person with no sense of colour has threaded these beads...

- Fact** This necklace reflects the fashion of the 1980s—flashy, loud and showy, with fluorescent and unusual colour combinations.
- Fact** The 1980s marked the arrival of logos being used in jewellery as a status symbol.
